

Verzeichnis der Familiennamen

Von Siegfried Meier

Sämtliche Namen wurden in der Form, wie diese im Kirchenbuch vorkamen, wiedergegeben.

Vielfach sind die Familiennamen von den Pfarrern unterschiedlich geschrieben worden. Die weibliche Schreibweise der Namen wurde auf die erkennbare Grundform zurückgeführt, nur im Zweifelsfall wurde die weibliche Schreibweise übernommen.

Gleiches geschieht, wenn Doppelvokale, Dehnungs-Hs, Cz/Sch/Z u.ä. Schreibweisen vorkommen.

Ähnlich geschriebene Familiennamen wurden zusammengeführt wie zum Beispiel: Asmus, Asmuss, Assmus

Weiter ist zu bemerken, daß Pastor Passarge eine Reihe von Namen anders schreibt als sein Vorgänger Pastor Cörber so zum Beispiel Kluge statt Kluwe, Witte und Witke statt Wittich, Klingbeil statt Klingbeul, Obitz statt Opitz, Behrent statt Bährend.

Ebenso wurde der Name Hecht in Szuka umgedeutet.

Bei den Personen aus der Garnison wurde nur der Name des Beteiligten, aber nicht der Name der Regimenter beziehungsweise der Name des Regiments-Kommandeurs aufgenommen.
